Beginning our journey with classes I to VIII, Hyderabad Institute of Excellence is poised to be the finest residential school in the region with a holistic curriculum that is an amalgamation of knowledge, skills and character building programmes.

Standing tall on the legacy and goodwill of the Hyderabad Institute of Excellence- Junior college, which has carved a niche for itself with a dedicated community of teachers, parents, students and illustrious alumni who are settled across the globe, the school upholds the vision of character building along with career building.

As I look forward to welcoming you to our campus soon, I would like to leave you with a quote by William. S. Burrough which encapsulates the vision of HIE school "The aim of education is the knowledge, not of facts, but of values."
