WHAT IS HIE - MELANGE

It is a platform for the students to use their scientific knowledge and bring the best invention from their brains.

Allow students to work together in groups and learn from each other.

Sharing the ideas and collectively galvanizing those ideas to bring something innovative into implementation.

WHY HIE – MELANGE ?

HIE - MELANGE provides students the opportunity to apply scientific processes to problems or questions that interest them.

PURPOSE OF HIE - MELANGE

- Promoting interest in Science and Technology among younger generation.
- Encouraging scientific and technological creativity among students and inculcating a sense of pride in their talent.
- Promotional activity
- Expressing Ideas & Improving Communication
